Loop Head Together Engagement Overview

Our journey
to a

Thriving Loop Head Peninsula

The Focus: What do we have to do to reverse the population decline?

<p>- Understanding the problems - What are the underlying important questions that will help us be clear about how we got here?</p>	<p>- Finding the solutions - What questions will we at Loop Head Together have to ask to fix this?</p>
What contributed to the population decline?	What plans do we have to make to address the root causes of population decline?
